| Clonality                   | Polyclonal                                                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                                                                                |
| Conjugate                   | Allophycocyanin                                                                                                                                                                                                    |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                        |
| Buffer                      | PBS                                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                                    |
| Host                        | Rabbit                                                                                                                                                                                                             |
| Gene ID                     | 5971                                                                                                                                                                                                               |
| Gene Symbol                 | RELB                                                                                                                                                                                                               |
| Species                     | Human, Mouse                                                                                                                                                                                                       |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 529 and 579 of human v-rel reticuloendotheliosis viral oncogene homolog B using the numbering given in entry NP_006500.2 (GeneID 5971). |
| Product Application Details |                                                                                                                                                                                                                    |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                                  |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                             |
