#### NBP1-28159

MHC Class II Antibody (NIMR-4) [FITC]

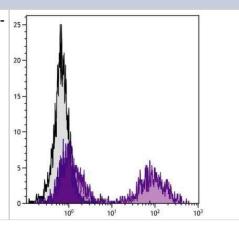

| Product Information         |   |
|-----------------------------|---|
| Unit Size                   | 0.25 mg   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.  |
| Clonality                   | Monoclonal  |
| Clone                       | NIMR-4  |
| Preservative                | 0.05% Sodium Azide  |
| Isotype                     | IgG2b Kappa   |
| Conjugate                   | FITC  |
| Purity                      | Protein A or G purified   |
| Buffer                      | PBS   |
| Product Description         |   |
| Host                        | Rat   |
| Gene ID                     | 3108  |
| Gene Symbol                 | HLA-DMA   |
| Species                     | Mouse   |
| Specificity/Sensitivity     | MHC Class II molecules  |
| Immunogen                   | The immunogen is a peptide made to the amino acid region MHC Class II                       |
| Notes                       | Protect conjugated forms from light.  |
| Product Application Details |   |
| Applications                | Flow Cytometry  |
|                             |   |

**Recommended Dilutions**
