| Clonality                   | Polyclonal                                                                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                                                     |
| Conjugate                   | Allophycocyanin                                                                                                                                                                         |
| Purity                      | Immunogen affinity purified                                                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                         |
| Host                        | Rabbit                                                                                                                                                                                  |
| Gene ID                     | 29117                                                                                                                                                                                   |
| Gene Symbol                 | BRD7                                                                                                                                                                                    |
| Species                     | Human, Mouse                                                                                                                                                                            |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 601 and 651 of human bromodomain containing 7 using the numbering given in entry NP_037395.2 (GenelD 29117). |
| Product Application Details |                                                                                                                                                                                         |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Flow Cytometry, Immunohistochemistry, Immunoprecipitation                                                                                  |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Paraffin                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                  |
