RIOK2 Antibody [DyLight 350]

| Product Information         |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                               |
| Storage                     | Store at 4C in the dark.                                                                                                  |
| Clonality                   | Polyclonal                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                        |
| Isotype                     | IgG                                                                                                                       |
| Conjugate                   | DyLight 350                                                                                                               |
| Purity                      | Immunogen affinity purified                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                        |
| Product Description         |                                                                                                                           |
| Host                        | Rabbit                                                                                                                    |
| Gene ID                     | 55781                                                                                                                     |
| Gene Symbol                 | RIOK2                                                                                                                     |
| Species                     | Human                                                                                                                     |
| Immunogen                   | Antigen maps to a region between residue 502 and 552 of human RIO kinase 2 using the numbering given in entry NP_060813.1 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                         |
| Product Application Details |                                                                                                                           |
| Applications                | Immunohistochemistry, Knockdown Validated                                                                                 |
| Recommended Dilutions       | Immunohistochemistry, Knockdown Validated                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                    |
