## ACOT8 Antibody - BSA Free

### NBP1-32452

Unit Size: 100 ul

Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.

| Buffer                      | 0.1M Tris, 0.1M Glycine, 10% Glycerol                                                                                                                                                 |
| Target Molecular Weight     | 36 kDa                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                       |
| Description                 | Novus Biologicals Rabbit ACOT8 Antibody - BSA Free (NBP1-32452) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                |
| Gene ID                     | 10005                                                                                                                                                                                 |
| Gene Symbol                 | ACOT8                                                                                                                                                                                 |
| Species                     | Human, Mouse, Rat                                                                                                                                                                     |
| Reactivity Notes            | Bovine (83%).                                                                                                                                                                         |
| Immunogen                   | Recombinant protein encompassing a sequence within the center region of human ACOT8. The exact sequence is proprietary.                                                               |
| Product Application Details |                                                                                                                                                                                       |
| Applications                | Western Blot                                                                                                                                                                          |
| Recommended Dilutions       | Western Blot 1:500-1:3000                                                                                                                                                             |

## Images

Western Blot: ACOT8 Antibody [NBP1-32452] - Rat tissue extracts (50 ug) was separated by 10 % SDS-PAGE, and the membrane was blotted with ACOT8 antibody diluted by 1:1000.

Western Blot: ACOT8 Antibody [NBP1-32452] - Sample(30 ug whole cell lysate)A:MOLT4 B:Raji 10% SDS PAGE, antibody diluted at 1:1000.

Western Blot: ACOT8 Antibody [NBP1-32452] - Various whole cell extracts (30 ug) were separated by 10% SDS-PAGE, and the membrane was blotted with ACOT8 antibody diluted by 1:1000.

Western Blot: ACOT8 Antibody [NBP1-32452] - Mouse tissue extracts (50 ug) was separated by 10 % SDS-PAGE, and the membrane was blotted with ACOT8 antibody diluted by 1:1000.
