|--------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 100 ul                                                                                                           |
| <b>Concentration</b>           | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                     |
| <b>Clonality</b>               | Polyclonal                                                                                                       |
| <b>Preservative</b>            | 0.01% Thimerosal                                                                                                 |
| <b>Isotype</b>                 | IgG                                                                                                              |
| <b>Purity</b>                  | Antigen Affinity-purified                                                                                        |
| <b>Buffer</b>                  | 0.1M Tris (pH 7), 0.1M Glycine, 10% Glycerol                                                                     |
| <b>Target Molecular Weight</b> | 50 kDa                                                                                                           |

**Product Description**

|                         |                                                                                                                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b>      | Novus Biologicals Rabbit GALK2 Antibody - BSA Free (NBP1-32508) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>             | Rabbit                                                                                                                                                                                |
| <b>Gene ID</b>          | 2585                                                                                                                                                                                  |
| <b>Gene Symbol</b>      | GALK2                                                                                                                                                                                 |
| <b>Species</b>          | Human                                                                                                                                                                                 |
| <b>Reactivity Notes</b> | Mouse (89%), Rat (88%), Chicken (80%).                                                                                                                                                |
| <b>Immunogen</b>        | Recombinant protein encompassing a sequence within the center region of human GALK2. The exact sequence is proprietary.                                                               |

**Product Application Details**

|                              |                           |
|------------------------------|---------------------------|
| <b>Applications</b>          | Western Blot              |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:3000 |
