**NBP1-33720**

NCOA3/AIB1 Antibody - BSA Free

**Product Information**

|                      |                                                                                                                  |
|----------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 100 ul                                                                                                           |
| <b>Concentration</b> | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                     |
| <b>Clonality</b>     | Polyclonal                                                                                                       |
| <b>Preservative</b>  | 0.01% Thimerosal                                                                                                 |
| <b>Isotype</b>       | IgG                                                                                                              |
| <b>Purity</b>        | Antigen Affinity-purified                                                                                        |
| <b>Buffer</b>        | 0.1M Tris (pH 7), 0.1M Glycine, 20% Glycerol                                                                     |

**Product Description**

|                    |                                                                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit NCOA3/AIB1 Antibody - BSA Free (NBP1-33720) is a polyclonal antibody validated for use in IHC, WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                     |
| <b>Gene ID</b>     | 8202                                                                                                                                                                                                       |
| <b>Gene Symbol</b> | NCOA3                                                                                                                                                                                                      |
| <b>Species</b>     | Human                                                                                                                                                                                                      |
| <b>Immunogen</b>   | Recombinant protein encompassing a sequence within the N-terminus region of human NCOA3/AIB1. The exact sequence is proprietary.                                                                           |

**Product Application Details**

|                              |                                                                                                                                                              |
|------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunohistochemistry-Paraffin, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                    |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:3000, Immunohistochemistry 10 - 1:500, Immunocytochemistry/ Immunofluorescence 1:100-1:1000, Immunohistochemistry-Paraffin 1:100-1:1000 |

## Images

Western Blot: NCOA3/AIB1 Antibody [NBP1-33720] - Whole cell extract (30 ug) was separated by 5% SDS-PAGE, and the membrane was blotted with NCOA3 antibody [N1N2], N-term.

Immunocytochemistry/Immunofluorescence: NCOA3/AIB1 Antibody [NBP1-33720] - Analysis of methanol-fixed HeLa, using antibody at 1:200 dilution.

Immunohistochemistry-Paraffin: NCOA3/AIB1 Antibody [NBP1-33720] - Paraffin-embedded H1299 xenograft, using antibody at 1:500 dilution.

Western Blot: NCOA3/AIB1 Antibody [NBP1-33720] - Sample (30 ug of whole cell lysate) A: A431 5% SDS PAGE, antibody diluted at 1:2000.
