|--------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit SMOC-2 Antibody - BSA Free (NBP1-39788) is a polyclonal antibody validated for use in IHC, WB and ELISA. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                                                |
| <b>Gene ID</b>     | 64094                                                                                                                                                                                                 |
| <b>Gene Symbol</b> | SMOC2                                                                                                                                                                                                 |
| <b>Species</b>     | Human                                                                                                                                                                                                 |
| <b>Immunogen</b>   | Synthetic peptide from human SMOC-2.                                                                                                                                                                  |

**Product Application Details**

|                              |                                                                                                   |
|------------------------------|---------------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunohistochemistry                          |
| <b>Recommended Dilutions</b> | Western Blot 1 ug/ml, ELISA 1 ug/ml, Immunohistochemistry, Immunohistochemistry-Paraffin 20 ug/ml |
| <b>Application Notes</b>     | .                                                                                                 |
