RUVBL2 Antibody [Janelia Fluor® 525]

| Product Information         |                                                                                                                                                              |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                  |
| Storage                     | Store at 4C in the dark.                                                                                                                                     |
| Clonality                   | Polyclonal                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                           |
| Isotype                     | IgG                                                                                                                                                          |
| Conjugate                   | Janelia Fluor 525                                                                                                                                            |
| Purity                      | Immunogen affinity purified                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                           |
| Product Description         |                                                                                                                                                              |
| Host                        | Rabbit                                                                                                                                                       |
| Gene ID                     | 10856                                                                                                                                                        |
| Gene Symbol                 | RUVBL2                                                                                                                                                       |
| Species                     | Human, Mouse                                                                                                                                                 |
| Immunogen                   | The immunogen for this product maps to a region between residue 1 and 50 of human RuvB-like 2 using the numbering given in entry NP_006657.1 (GeneID 10856). |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                        |
| Product Application Details |                                                                                                                                                              |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation, Knockdown Validated         |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin, Knockdown Validated         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                       |
