SNF1LK2/SIK2 Antibody [Dvl ight 550]

| SNF1LK2/SIK2 Antibody [DyLight 550] |   |
|-------------------------------------|---|
| Product Information                 |   |
| Unit Size                           | 0.1 ml  |
| Concentration                       | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                             | Store at 4C in the dark.  |
| Clonality                           | Polyclonal  |
| Preservative                        | 0.05% Sodium Azide  |
| Isotype                             | IgG   |
| Conjugate                           | DyLight 550   |
| Purity                              | Immunogen affinity purified   |
| Buffer                              | 50mM Sodium Borate  |
| Product Description                 |   |
| Host                                | Rabbit  |
| Gene ID                             | 23235   |
| Gene Symbol                         | SIK2  |
| Species                             | Human   |
| Immunogen                           | The immunogen for this product maps to a region between residue 600 and 650 of human salt-inducible kinase 2 using the numbering given in entry NP_056006.1 (GeneID 23235). |
| Notes                               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.   |
| Product Application Details         |   |
| Applications                        | Western Blot, Immunoprecipitation   |
| Recommended Dilutions               | Western Blot, Immunoprecipitation   |

|                                    | , 5 . ( ,  |
|------------------------------------|--|
| <b>Product Application Details</b> |  |
| Applications                       | Western Blot, Immunoprecipitation                                      |
| Recommended Dilutions              | Western Blot, Immunoprecipitation                                      |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
