**NBP1-43122PCP**

MHC Class I Antibody (A4) [PerCP]

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                                         |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | A4                                                                                                               |
| Preservative        | 0.05% Sodium Azide                                                                                               |
| Isotype             | IgG1                                                                                                             |
| Conjugate           | PerCP                                                                                                            |
| Purity              | Protein A or G purified                                                                                          |
| Buffer              | PBS                                                                                                              |

| Product Description |                                                                                                                                                                                       |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                                                                 |
| Gene ID             | 3133                                                                                                                                                                                  |
| Gene Symbol         | HLA-E                                                                                                                                                                                 |
| Species             | Human                                                                                                                                                                                 |
| Immunogen           | The immunogen for this antibody was HLA MHC Class I free chain without B2 microglobulin.                                                                                              |
| Notes               | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                                                                                          |
|-----------------------------|------------------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, Flow Cytometry, Immunohistochemistry, Immunoprecipitation |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                   |
