TLR9 Antibody (eB72-1665) [Janelia Fluor® 669]

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                                         |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | eB72-1665                                                                                                        |
| Preservative        | 0.05% Sodium Azide                                                                                               |
| Isotype             | IgG2a Kappa                                                                                                      |
| Conjugate           | Janelia Fluor 669                                                                                                |
| Purity              | Protein A or G purified                                                                                          |
| Buffer              | 50mM Sodium Borate                                                                                               |

| Product Description |                                                                                       |
|---------------------|---------------------------------------------------------------------------------------|
| Host                | Rat                                                                                   |
| Gene ID             | 54106                                                                                 |
| Gene Symbol         | TLR9                                                                                  |
| Species             | Human                                                                                 |
| Immunogen           | The immunogen for this antibody was Tolllike receptor 9.                              |
| Notes               | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus. |

| Product Application Details |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Flow Cytometry, Immunohistochemistry, Immunoprecipitation |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Immunoprecipitation, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
