IL-13 Antibody (13A) [DyLight 594]

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                                         |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | 13A                                                                                                              |
| Preservative        | 0.05% Sodium Azide                                                                                               |
| Isotype             | IgG1 Kappa                                                                                                       |
| Conjugate           | DyLight 594                                                                                                      |
| Purity              | Protein A or G purified                                                                                          |
| Buffer              | 50mM Sodium Borate                                                                                               |

| Product Description |                                                                                   |
|---------------------|-----------------------------------------------------------------------------------|
| Host                | Rat                                                                               |
| Gene ID             | 3596                                                                              |
| Gene Symbol         | IL13                                                                              |
| Species             | Mouse                                                                             |
| Reactivity Notes    | This antibody is reactive to Mouse.                                               |
| Immunogen           | The immunogen for this antibody was IL13.                                         |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Flow Cytometry                                                  |
| Recommended Dilutions       | Flow Cytometry, ELISA                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
