## NBP1-43341V

**Application Notes** 

CD163 Antibody (GHI/61) [DyLight 405]

| CD163 Antibody (GHI/61) [DyLight 405] |  |
|---------------------------------------|--|
| Product Information                   |  |
| Unit Size                             | 0.1 ml   |
| Concentration                         | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage                               | Store at 4C in the dark.   |
| Clonality                             | Monoclonal   |
| Clone                                 | GHI/61   |
| Preservative                          | 0.05% Sodium Azide   |
| Isotype                               | IgG1 Kappa   |
| Conjugate                             | DyLight 405  |
| Purity                                | Protein A or G purified  |
| Buffer                                | 50mM Sodium Borate   |
| Target Molecular Weight               | 125.5 kDa  |
| Product Description                   |  |
| Host                                  | Mouse  |
| Gene ID                               | 9332   |
| Gene Symbol                           | CD163  |
| Species                               | Human, Rat   |
| Marker                                | Histiocytic Marker   |
| Immunogen                             | The immunogen for this antibody was CD163.   |
| Notes                                 |  |
|                                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                |
| Product Application Details           |  |
| Applications                          | Western Blot, Flow Cytometry   |
| Recommended Dilutions                 | Western Blot, Flow Cytometry   |

Optimal dilution of this antibody should be experimentally determined.
