| Clonality                   | Polyclonal                                                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                                                        |
| Conjugate                   | DyLight 650                                                                                                                                                                                                |
| Purity                      | Immunogen affinity purified                                                                                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                                                                     |
| Gene ID                     | 2960                                                                                                                                                                                                       |
| Gene Symbol                 | GTF2E1                                                                                                                                                                                                     |
| Species                     | Human                                                                                                                                                                                                      |
| Reactivity Notes            | Orangutan (100%).                                                                                                                                                                                          |
| Immunogen                   | The immunogen for this product maps to a region between residue 100 and 150 of human General Transcription Factor IIE, polypeptide 1, alpha, using the numbering given in entry NP_005504.2 (GenelD 2960). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                          |
| Product Application Details |                                                                                                                                                                                                            |
| Applications                | Immunohistochemistry, Immunohistochemistry-Paraffin, Western Blot (Negative)                                                                                                                               |
| Recommended Dilutions       | Immunohistochemistry, Immunohistochemistry-Paraffin, Western Blot (Negative)                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                     |
