| Specificity/Sensitivity     | This antibody is specific for isoform 1-1L.                                                                                                                                           |
| Immunogen                   | Synthetic peptide made to an internal portion of human RCAN1 (within residues 40-90). [Swiss-Prot# P53805]                                                                            |
| Notes                       | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details |                                                                                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                |
