## NBP1-49312APC

**Recommended Dilutions** 

OAT Antibody (23A2) [Allophycocyanin]

| OAT Antibody (23A2) [Allophycocyanin] |   |
|---------------------------------------|---|
| Product Information                   |   |
| Unit Size                             | 0.1 ml  |
| Concentration                         | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                               | Store at 4C in the dark.  |
| Clonality                             | Monoclonal  |
| Clone                                 | 23A2  |
| Preservative                          | 0.05% Sodium Azide  |
| Isotype                               | IgG1 Kappa  |
| Conjugate                             | Allophycocyanin   |
| Purity                                | Protein A or G purified   |
| Buffer                                | PBS   |
| Product Description                   |   |
| Host                                  | Mouse   |
| Gene ID                               | 4942  |
| Gene Symbol                           | OAT   |
| Species                               | Human   |
| Reactivity Notes                      | May react with Mouse.   |
| Immunogen                             | Recombinant human OAT (33-439aa) purified from E. coli.   |
| Notes                                 | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details           |   |
| Applications                          | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence  |
|                                       |   |

Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence
