| Storage                     | Store at 4C in the dark.                                                                                                                                                                        |
| Clonality                   | Polyclonal                                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                              |
| Isotype                     | IgG                                                                                                                                                                                             |
| Conjugate                   | DyLight 594                                                                                                                                                                                     |
| Purity                      | Immunogen affinity purified                                                                                                                                                                     |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                                 |
| Host                        | Rabbit                                                                                                                                                                                          |
| Gene ID                     | 8531                                                                                                                                                                                            |
| Gene Symbol                 | YBX3                                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                                           |
| Immunogen                   | The immunogen for this product maps to a region between residue 250 and 300 of human ZO-1-associated nucleic acid-binding protein using the numbering given in entry NP_003642.3 (GeneID 8531). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                               |
| Product Application Details |                                                                                                                                                                                                 |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                               |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                          |
