| Gene ID                     | 8518                                                                                                                                                                                                                                                   |
| Gene Symbol                 | ELP1                                                                                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                                                                                  |
| Immunogen                   | The immunogen for this product maps to a region between residue 1150 and 1200 of human Inhibitor of Kappa Light Polypeptide Gene Enhancer in B-cells, Kiinase Complex-Associated Protein using the numbering given in entry NP_003631.2 (GeneID 8518). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                                                                        |
| Applications                | Western Blot, Immunoprecipitation                                                                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                 |
