ANAPC13 Antibody [Biotin]

| Product Information         |                                                                                                                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                                            |
| Storage                     | Store at 4C in the dark.                                                                                                                                                                               |
| Clonality                   | Polyclonal                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                    |
| Conjugate                   | Biotin                                                                                                                                                                                                 |
| Purity                      | Peptide affinity purified                                                                                                                                                                              |
| Buffer                      | PBS                                                                                                                                                                                                    |
| Product Description         |                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                 |
| Gene ID                     | 25847                                                                                                                                                                                                  |
| Gene Symbol                 | ANAPC13                                                                                                                                                                                                |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                      |
| Reactivity Notes            | 0                                                                                                                                                                                                      |
| Immunogen                   | Antibody was raised against a 17 amino acid synthetic peptide near the center of human APC13. The immunogen is located within the last 50 amino acids of APC13. Amino Acid Sequence: PLNELPEPEQDNGGTTE |
| Product Application Details |                                                                                                                                                                                                        |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                            |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                 |
