| Clonality                   | Polyclonal                                                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                                                                      |
| Conjugate                   | FITC                                                                                                                                                                                                     |
| Purity                      | Peptide affinity purified                                                                                                                                                                                |
| Buffer                      | PBS                                                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                                                                                   |
| Gene ID                     | 10456                                                                                                                                                                                                    |
| Gene Symbol                 | HAX1                                                                                                                                                                                                     |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                        |
| Reactivity Notes            | 0                                                                                                                                                                                                        |
| Specificity/Sensitivity     | At least four isoforms of Hax1 are known to exist. This antibody is predicted to recognize Hax1b.                                                                                                        |
| Immunogen                   | Antibody was raised against a 10 amino acid synthetic peptide near the amino terminus of human Hax1b. The immunogen is located within the first 50 amino acids of Hax1b. Amino Acid Sequence: PGPRSFSPGG |
| Product Application Details |                                                                                                                                                                                                          |
| Applications                | Western Blot, ELISA                                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                   |
