SLC39A8/ZIP8 Antibody [Alexa Fluor® 532]

Product Information	OLOGOAO/ZII O AIILIDOUY [AICXA I	1401-9-002]	
Please see the vial label for concentration. If unlisted please contact technical services.	Product Information		
Storage Store at 4C in the dark. Clonality Polyclonal Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 532 Purity Peptide affinity purified Buffer 50mM Sodium Borate Product Description Host Rabbit Gene ID 64116 Gene Symbol SLC39A8 Species Human Reactivity Notes Immunogen displays the following percentage of sequence identity for non-tested species: Mouse: (89%), Rat: (89%). Specificity/Sensitivity Immunogen displays the following percentage of sequence identity for non-tested species: Mouse: (89%), Rat: (89%). Specificity/Sensitivity ZIP8 antibody is predicted to not cross-react with other ZIP family members. Antibody was raised against a 18 amino acid synthetic peptide near the carboxy terminus of human ZIP8. The immunogen is located within the last 50 amino acids of ZIP8. Amino Acid Squence: PEMDMLREKVTGRKTDF Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchased product and components of the product on its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or in product and components or the buyer include, but is not limited to use of the product or its components; (i) in manufacturing; (ii) to provide a service, information, or data in return for payment, tilii for therapeutic, diag	Unit Size	0.1 ml
