ZBTB4 Antibody [Alexa Fluor® 700]

Storage Store at 4C in the dark. Clonality Polyclonal Preservative 0.05% Sodium Azide Isotype IgG Conjugate Alexa Fluor 700 Purity Peptide affinity purified Buffer 50mM Sodium Borate Product Description Host Rabbit Gene ID 57659 Gene Symbol ZBTB4 Species Human, Mouse Reactivity Notes 0 Specificity/Sensitivity At least four isoforms of ZBTB4 are known to exist; this antibody will only recognize the longest isoform. This antibody is predicted to not cross-react other ZBTB protein family members. Immunogen Antibody was raised against a 18 amino acid synthetic peptide near the card terminus of human ZBTB4. The immunogen is located within amino acids 78 a40 of ZBTB4. Amino Acid Squence: AGTRPGDVKEEAPQEMQV Notes Alexa Fluor (R) products are provided under an intellectual property license Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and compone of the product only in research conducted by the buyer (whether the buyer a academic or for-profit entity). The sale of this product conveys to the buyer not using the product or its components, or any materials made us the product or its components, or any materials made us the product or its components, or any materials made us the product or its components, or any materials made us the product or its components. (i) in manufacturing; (ii) to provide a service, information, or data in return for payment; (iii) for therapeutic, diagnostic or prophylactic purposes; or (iv) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product or purposes or five) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product or prophylactic purposes; or five) for resale, regardless of whether they are resold for use in research. For inform on purchasing a license to this product or the sand outline of this product or the sand outline of this product. To such product	<i>,</i> .	•
