| Clonality                   | Polyclonal                                                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                              |
| Isotype                     | IgG                                                                                                                                                                                                             |
| Conjugate                   | Allophycocyanin                                                                                                                                                                                                 |
| Purity                      | Peptide affinity purified                                                                                                                                                                                       |
| Buffer                      | PBS                                                                                                                                                                                                             |
| Product Description         |                                                                                                                                                                                                                 |
| Host                        | Rabbit                                                                                                                                                                                                          |
| Gene ID                     | 221504                                                                                                                                                                                                          |
| Gene Symbol                 | ZBTB9                                                                                                                                                                                                           |
| Species                     | Human, Mouse                                                                                                                                                                                                    |
| Specificity/Sensitivity     | This antibody is predicted to not cross-react with other ZBTB protein family members.                                                                                                                           |
| Immunogen                   | Antibody was raised against a 15 amino acid synthetic peptide near the carboxy terminus of human ZBTB9. The immunogen is located within the first 50 amino acids of ZBTB9. Amino Acid Sequence: PQHSSSLLES�NRHR |
| Product Application Details |                                                                                                                                                                                                                 |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                                |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                          |
