| Clonality                   | Polyclonal                                                                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                                                                                               |
| Conjugate                   | DyLight 350                                                                                                                                                                                                                       |
| Purity                      | Peptide affinity purified                                                                                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                                                   |
| Host                        | Rabbit                                                                                                                                                                                                                            |
| Gene ID                     | 94241                                                                                                                                                                                                                             |
| Gene Symbol                 | TP53INP1                                                                                                                                                                                                                          |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                                 |
| Reactivity Notes            | Mouse reactivity per customer review.                                                                                                                                                                                             |
| Specificity/Sensitivity     | At least two isoforms of p53DINP1 are known to exist; this antibody will detect both isoforms.                                                                                                                                    |
| Immunogen                   | Antibody was raised with a synthetic peptide corresponding to 14 amino acids near the amino terminus of human p53DINP1. The immunogen is located within the first 50 amino acids of p53DINP1. Amino Acid Sequence: MFQYLNKMFVGEVS |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                                                   |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                  |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                            |
