| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                                                                                   |
| <b>Isotype</b>                     | IgG                                                                                                                                                                                                                  |
| <b>Conjugate</b>                   | Allophycocyanin                                                                                                                                                                                                      |
| <b>Purity</b>                      | Affinity purified                                                                                                                                                                                                    |
| <b>Buffer</b>                      | PBS                                                                                                                                                                                                                  |
| <b>Product Description</b>         |                                                                                                                                                                                                                      |
| <b>Host</b>                        | Rabbit                                                                                                                                                                                                               |
| <b>Gene ID</b>                     | 22861                                                                                                                                                                                                                |
| <b>Gene Symbol</b>                 | NLRP1                                                                                                                                                                                                                |
| <b>Species</b>                     | Human                                                                                                                                                                                                                |
| <b>Immunogen</b>                   | Antibody was raised against a peptide corresponding to 13 amino acids near the carboxy terminus of human NALP1. The immunogen is located within the last 50 amino acids of NALP1. Amino Acid Sequence: EKGSKKGLLPLSS |
| <b>Product Application Details</b> |                                                                                                                                                                                                                      |
| <b>Applications</b>                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                                         |
| <b>Recommended Dilutions</b>       | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                                         |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                               |
