| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                    |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                                                      |
| Purity                      | Peptide affinity purified                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                        |
| Host                        | Rabbit                                                                                                                                                                                                 |
| Gene ID                     | 4064                                                                                                                                                                                                   |
| Gene Symbol                 | CD180                                                                                                                                                                                                  |
| Species                     | Human, Mouse                                                                                                                                                                                           |
| Reactivity Notes            | 0                                                                                                                                                                                                      |
| Immunogen                   | Antibody was raised against a 14 amino acid synthetic peptide from near the center of human RP105. The immunogen is located within amino acids 170 - 220 of RP105. Amino Acid Sequence: HYISREDMRSLEQA |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                  |
| Product Application Details |                                                                                                                                                                                                        |
| Applications                | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                       |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                 |
