| Conjugate                   | PE                                                                                                                                                                                                                       |
| Purity                      | Peptide affinity purified                                                                                                                                                                                                |
| Buffer                      | PBS                                                                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                                                          |
| Host                        | Rabbit                                                                                                                                                                                                                   |
| Gene ID                     | 2010                                                                                                                                                                                                                     |
| Gene Symbol                 | EMD                                                                                                                                                                                                                      |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                        |
| Immunogen                   | Antibody was raised against a 19 amino acid synthetic peptide from near the amino terminus of human Emerin. The immunogen is located within the first 50 amino acids of Emerin. Amino Acid Sequence: STRRLYEKKIFEYETQRRR |
| Product Application Details |                                                                                                                                                                                                                          |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                                         |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                   |
