| Clonality                   | Polyclonal                                                                                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                                                                       |
| Conjugate                   | PE                                                                                                                                                                                                        |
| Purity                      | Peptide affinity purified                                                                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                           |
| Host                        | Rabbit                                                                                                                                                                                                    |
| Gene ID                     | 8216                                                                                                                                                                                                      |
| Gene Symbol                 | LZTR1                                                                                                                                                                                                     |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                         |
| Immunogen                   | Antibody was raised against a 14 amino acid synthetic peptide near the amino terminus of human LZTR1. The immunogen is located within amino acids 130 - 180 of LZTR1. Amino Acid Sequence: NSNLKNKNDLFEYK |
| Product Application Details |                                                                                                                                                                                                           |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunohistochemistry                                                                                                                                  |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                    |
