| Clonality                   | Polyclonal                                                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                           |
| Isotype                     | IgG                                                                                                                                                                                                          |
| Conjugate                   | PE                                                                                                                                                                                                           |
| Purity                      | Peptide affinity purified                                                                                                                                                                                    |
| Buffer                      | PBS                                                                                                                                                                                                          |
| Product Description         |                                                                                                                                                                                                              |
| Host                        | Rabbit                                                                                                                                                                                                       |
| Gene ID                     | 9063                                                                                                                                                                                                         |
| Gene Symbol                 | PIAS2                                                                                                                                                                                                        |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                            |
| Immunogen                   | Antibody was raised against a 18 amino acid synthetic peptide near the amino terminus of human PIAS2. The immunogen is located within amino acids 110 - 160 of PIAS2. Amino Acid Squence: DTKPTFEMQQPSPPIPPV |
| Product Application Details |                                                                                                                                                                                                              |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                                                             |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                       |
