| Clonality                   | Polyclonal                                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                   |
| Isotype                     | IgG                                                                                                                                                                                                  |
| Conjugate                   | Janelia Fluor 525                                                                                                                                                                                    |
| Purity                      | Peptide affinity purified                                                                                                                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                      |
| Host                        | Rabbit                                                                                                                                                                                               |
| Gene ID                     | 9211                                                                                                                                                                                                 |
| Gene Symbol                 | LGI1                                                                                                                                                                                                 |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                    |
| Specificity/Sensitivity     | This LGI1 antibody is predicted to be specific to LGI1 and not recognize other LGI proteins.                                                                                                         |
| Immunogen                   | Antibody was raised against a 14 amino acid synthetic peptide from near the center of human LGI1. The immunogen is located within amino acids 370 - 420 of LGI1. Amino Acid Sequence: LEIVRTPQTLRTPH |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                |
| Product Application Details |                                                                                                                                                                                                      |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                    |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                               |
