| Clonality                   | Polyclonal                                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                                                                |
| Conjugate                   | FITC                                                                                                                                                                                               |
| Purity                      | Peptide affinity purified                                                                                                                                                                          |
| Buffer                      | PBS                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                    |
| Host                        | Rabbit                                                                                                                                                                                             |
| Gene ID                     | 25840                                                                                                                                                                                              |
| Gene Symbol                 | TMT1A                                                                                                                                                                                              |
| Species                     | Human, Mouse                                                                                                                                                                                       |
| Reactivity Notes            | 0                                                                                                                                                                                                  |
| Specificity/Sensitivity     | At least two isoforms of Mettl7A are known to exist. This antibody is predicted to not cross-react with Mettl7B.                                                                                   |
| Immunogen                   | Antibody was raised against a 13 amino acid synthetic peptide near the center of human Mettl7A. The immunogen is located within amino acids 130 - 180 of Mettl7A. Amino Acid Squence: SVKNQERILREV |
| Product Application Details |                                                                                                                                                                                                    |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                       |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                             |
