| Clonality                   | Polyclonal                                                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                         |
| Isotype                     | IgG                                                                                                                                                                                                        |
| Conjugate                   | Allophycocyanin                                                                                                                                                                                            |
| Purity                      | Peptide affinity purified                                                                                                                                                                                  |
| Buffer                      | PBS                                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                                            |
| Host                        | Rabbit                                                                                                                                                                                                     |
| Gene ID                     | 2631                                                                                                                                                                                                       |
| Gene Symbol                 | NIPSNAP2                                                                                                                                                                                                   |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                          |
| Immunogen                   | Antibody was raised against a 14 amino acid synthetic peptide near the center of human NIPSNAP2. The immunogen is located within the first 50 amino acids of NIPSNAP2. Amino Acid Sequence: RTWTSSSNRSREDS |
| Product Application Details |                                                                                                                                                                                                            |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, ELISA, Immunohistochemistry                                                                                                                                   |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                     |
