## NBP1-77383JF646

**Application Notes** 

| LIN-28A Antibody [Janelia Fluor® 646] |   |
|---------------------------------------|---|
| Product Information                   |   |
| Unit Size                             | 0.1 ml  |
| Concentration                         | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                               | Store at 4C in the dark.  |
| Clonality                             | Polyclonal  |
| Preservative                          | 0.05% Sodium Azide  |
| Isotype                               | IgG   |
| Conjugate                             | Janelia Fluor 646   |
| Purity                                | Peptide affinity purified   |
| Buffer                                | 50mM Sodium Borate  |
| Product Description                   |   |
| Host                                  | Rabbit  |
| Gene ID                               | 79727   |
| Gene Symbol                           | LIN28A  |
| Species                               | Human   |
| Reactivity Notes                      | Immunogen displays the following percentage of sequence identity for non-tested species: Mouse (87%)  |
| Marker                                | Undifferentiated human embryonic stem cell Marker   |
| Immunogen                             | Antibody was raised against a 15 amino acid synthetic peptide near the carboxy terminus of human Lin28. The immunogen is located within the last 50 amino acids of Lin28. Amino Acid Squence: GPSAQGKPTYFREEE |
| Notes                                 | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.   |
| Product Application Details           |   |
| Applications                          | Western Blot, ELISA, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin  |
| Recommended Dilutions                 | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin  |
| 4                                     | 1   |

Optimal dilution of this antibody should be experimentally determined.
