NFkB1/NFkB p105 Antibody [Janelia Fluor® 549]

| <b>Product Information</b>         |                                                                                                                                                         |
|------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                                                                  |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                                                             |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                                                |
| <b>Clonality</b>                   | Polyclonal                                                                                                                                              |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                                                      |
| <b>Isotype</b>                     | IgG                                                                                                                                                     |
| <b>Conjugate</b>                   | Janelia Fluor 549                                                                                                                                       |
| <b>Purity</b>                      | Immunogen affinity purified                                                                                                                             |
| <b>Buffer</b>                      | 50mM Sodium Borate                                                                                                                                      |
| <b>Product Description</b>         |                                                                                                                                                         |
| <b>Host</b>                        | Rabbit                                                                                                                                                  |
| <b>Gene ID</b>                     | 4790                                                                                                                                                    |
| <b>Gene Symbol</b>                 | NFKB1                                                                                                                                                   |
| <b>Species</b>                     | Human, Mouse                                                                                                                                            |
| <b>Immunogen</b>                   | A genomic peptide made to an N-terminal region of the human NFkB p105/p50 protein (within residues 400-590). [Swiss-Prot P19838]                        |
| <b>Notes</b>                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                   |
| <b>Product Application Details</b> |                                                                                                                                                         |
| <b>Applications</b>                | Western Blot, Simple Western, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Frozen, Immunohistochemistry-Paraffin |
| <b>Recommended Dilutions</b>       | Western Blot, Simple Western, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin, Immunohistochemistry-Frozen |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                  |
