HSP90 beta Antibody [Janelia Fluor® 669]

| Product Information         |                                                                                                                        |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                            |
| Storage                     | Store at 4C in the dark.                                                                                               |
| Clonality                   | Polyclonal                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                     |
| Isotype                     | IgG                                                                                                                    |
| Conjugate                   | Janelia Fluor 669                                                                                                      |
| Purity                      | Immunogen affinity purified                                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                     |
| Product Description         |                                                                                                                        |
| Host                        | Rabbit                                                                                                                 |
| Gene ID                     | 3326                                                                                                                   |
| Gene Symbol                 | HSP90AB1                                                                                                               |
| Species                     | Human, Mouse, Rat                                                                                                      |
| Immunogen                   | A synthetic peptide made to an N-terminal portion of the human Hsp90B protein (between residues 1-50) [UniProt P08238] |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                  |
| Product Application Details |                                                                                                                        |
| Applications                | Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                           |
| Recommended Dilutions       | Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                 |
