## ZNF768 Antibody

| Product Information |                             |
|---------------------|-----------------------------|
| Unit Size           | 0.1 ml                      |
| Concentration       | 0.25 mg/ml                  |
| Storage             | Store at 4C. Do not freeze. |
| Clonality           | Polyclonal                  |
| Preservative        | 0.09% Sodium Azide          |
| Isotype             | IgG                         |
| Purity              | Immunogen affinity purified |
| Buffer              | TBS and 0.1% BSA            |

| Product Description |                                                                                                                                                                              |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit ZNF768 Antibody (NBP1-78220) is a polyclonal antibody validated for use in IHC. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                       |
| Gene ID             | 79724                                                                                                                                                                        |
| Gene Symbol         | ZNF768                                                                                                                                                                       |
| Species             | Human                                                                                                                                                                        |
| Immunogen           | The immunogen for this product maps to a region between residue 1 and 15 of human zinc finger protein 768 using the numbering given in entry NP_078947.3 (GeneID 79724).     |

| Product Application Details |                                                                               |
|-----------------------------|-------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, Immunohistochemistry                           |
| Recommended Dilutions       | Immunohistochemistry 1:100-1:500, Immunohistochemistry-Paraffin 1:100 - 1:500 |

**Images**

Immunohistochemistry: ZNF768 Antibody [NBP1-78220] - FFPE section of human breast carcinoma. Antibody: Affinity purified rabbit anti-ZNF768 used at a dilution of 1:250.
