HDAC6 Antibody [DyLight 550]

| Product Information         |                                                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                |
| Storage                     | Store at 4C in the dark.                                                                                                   |
| Clonality                   | Polyclonal                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                         |
| Isotype                     | IgG                                                                                                                        |
| Conjugate                   | DyLight 550                                                                                                                |
| Purity                      | Immunogen affinity purified                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                         |
| Product Description         |                                                                                                                            |
| Host                        | Rabbit                                                                                                                     |
| Gene ID                     | 10013                                                                                                                      |
| Gene Symbol                 | HDAC6                                                                                                                      |
| Species                     | Human, Mouse                                                                                                               |
| Immunogen                   | A synthetic peptide made to a C-terminal portion of the human HDAC6 protein (between residues 1175-1215). [UniProt Q9UBN7] |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                          |
| Product Application Details |                                                                                                                            |
| Applications                | Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry (Negative), Western Blot (Negative)          |
| Recommended Dilutions       | Flow Cytometry, Immunocytochemistry/ Immunofluorescence 1:100, Western Blot (Negative), Immunohistochemistry (Negative)    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                     |
