## VPS37C Antibody - BSA Free

### NBP1-83632

Unit Size: 0.1 ml

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

| Unit Size                   | 0.1 ml                                                                                                                                                                                             |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.                                                                                   |
| Storage                     | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                                                                                                             |
| Clonality                   | Polyclonal                                                                                                                                                                                         |
| Preservative                | 0.02% Sodium Azide                                                                                                                                                                                 |
| Isotype                     | IgG                                                                                                                                                                                                |
| Purity                      | Immunogen affinity purified                                                                                                                                                                        |
| Buffer                      | PBS (pH 7.2) and 40% Glycerol                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                                    |
| Description                 | Novus Biologicals Rabbit VPS37C Antibody - BSA Free (NBP1-83632) is a polyclonal antibody validated for use in IHC and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                             |
| Gene ID                     | 55048                                                                                                                                                                                              |
| Gene Symbol                 | VPS37C                                                                                                                                                                                             |
| Species                     | Human                                                                                                                                                                                              |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Mouse (88%), Rat (88%)                                                                                    |
| Immunogen                   | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>KIEEESSEAMAEKFLEGEVPLETFLENFSSMRMLSHLRRVRVEKLQEVRKPRA<br>SQELAGD                                          |
| Product Application Details |                                                                                                                                                                                                    |
| Applications                | Immunohistochemistry-Paraffin, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                                                                                       |
| Recommended Dilutions       | Immunohistochemistry 1:500 - 1:1000, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:500 - 1:1000                                                            |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended. ICC/IF Fixation Permeabilization: Use PFA/Triton X-100.                                                                                      |

## Images

Immunocytochemistry/Immunofluorescence: VPS37C Antibody [NBP1-83632] - Staining of human cell line U-2 OS shows positivity in vesicles. Antibody staining is shown in green.

Immunohistochemistry-Paraffin: VPS37C Antibody [NBP1-83632] - Staining of human pancreas shows strong cytoplasmic positivity in exocrine glandular cells.
