

# Product Datasheet

## NDUFV3 Antibody - BSA Free

### NBP1-85622

Unit Size: 0.1 ml

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

NDUFV3 Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Immunogen affinity purified                                                                                      |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                                                                                  |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit NDUFV3 Antibody - BSA Free (NBP1-85622) is a polyclonal antibody validated for use in IHC and ICC/IF. Anti-NDUFV3 Antibody: Cited in 1 publication. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                                                                           |
| Gene ID             | 4731                                                                                                                                                                                                                                             |
| Gene Symbol         | NDUFV3                                                                                                                                                                                                                                           |
| Species             | Human                                                                                                                                                                                                                                            |
| Immunogen           | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>RVVSKGRGGLRKPEASHSFENRAPRVTVSAKEKTLQKPHVDITDPEKPHQPK<br>KKGSPAKPSEGRENARPKTTMPRSQVDEEFLKQSLKEKQLQKTFRLNEIDKES<br>QKPFEVKGPLPVHTKSGLSA                   |

| Product Application Details |                                                                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry                                                     |
| Recommended Dilutions       | Immunohistochemistry 1:200 - 1:500, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml, Immunohistochemistry-Paraffin 1:200 - 1:500            |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.<br>Immunocytochemistry/Immunofluorescence Fixation Permeabilization: Use PFA/Triton X-100. |

## Images

Immunocytochemistry/Immunofluorescence: NDUFV3 Antibody [NBP1-85622] - Immunofluorescent staining of human cell line U-2 OS shows localization to mitochondria.

Immunohistochemistry-Paraffin: NDUFV3 Antibody [NBP1-85622] - Staining of human cerebral cortex.

Immunohistochemistry-Paraffin: NDUFV3 Antibody [NBP1-85622] - Staining of human cerebral cortex, colon, kidney and liver using Anti-NDUFV3 antibody NBP1-85622 (A) shows similar protein distribution across tissues to independent antibody NBP1-85623 (B).

Immunohistochemistry-Paraffin: NDUFV3 Antibody [NBP1-85622] - Staining of human kidney.

Immunohistochemistry-Paraffin: NDUFV3 Antibody [NBP1-85622] - Staining of human colon.

Immunohistochemistry-Paraffin: NDUFV3 Antibody [NBP1-85622] - Staining of human liver.
