Baculovirus Envelope gp64 protein Antibody (AcV1) [DyLight 650]

| Product Information         |                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                           |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                                         |
| Clonality                   | Monoclonal                                                                                                       |
| Clone                       | AcV1                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                               |
| Isotype                     | IgG2a                                                                                                            |
| Conjugate                   | DyLight 650                                                                                                      |
| Purity                      | Protein A or G purified                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                               |
| Product Description         |                                                                                                                  |
| Host                        | Mouse                                                                                                            |
| Species                     | Virus                                                                                                            |
| Immunogen                   | The immunogen for this antibody is baculovirus envelope gp64 protein.                                            |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                |
| Product Application Details |                                                                                                                  |
| Applications                | Flow Cytometry                                                                                                   |
| Recommended Dilutions       | Flow Cytometry                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                           |
