PHF21A Antibody [DyLight 405]

| Product Information         |                                                                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                       |
| Storage                     | Store at 4C in the dark.                                                                                                          |
| Clonality                   | Polyclonal                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                |
| Isotype                     | IgG                                                                                                                               |
| Conjugate                   | DyLight 405                                                                                                                       |
| Purity                      | Immunogen affinity purified                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                |
| Product Description         |                                                                                                                                   |
| Host                        | Rabbit                                                                                                                            |
| Gene ID                     | 51317                                                                                                                             |
| Gene Symbol                 | PHF21A                                                                                                                            |
| Species                     | Human                                                                                                                             |
| Immunogen                   | The immunogen recognized by this antibody maps to this antibody using the numbering given in entry NP_001095272.1 (GenelD 51317). |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                 |
| Product Application Details |                                                                                                                                   |
| Applications                | Western Blot, Immunoprecipitation                                                                                                 |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                            |
