| <b>Clonality</b>             | Polyclonal                                                                                                                                                                                                                |
| <b>Preservative</b>          | 0.05% Sodium Azide                                                                                                                                                                                                        |
| <b>Isotype</b>               | IgG                                                                                                                                                                                                                       |
| <b>Conjugate</b>             | DyLight 405                                                                                                                                                                                                               |
| <b>Purity</b>                | Immunogen affinity purified                                                                                                                                                                                               |
| <b>Buffer</b>                | 50mM Sodium Borate                                                                                                                                                                                                        |
| Product Description          |                                                                                                                                                                                                                           |
| <b>Host</b>                  | Rabbit                                                                                                                                                                                                                    |
| <b>Gene ID</b>               | 11338                                                                                                                                                                                                                     |
| <b>Gene Symbol</b>           | U2AF2                                                                                                                                                                                                                     |
| <b>Species</b>               | Human                                                                                                                                                                                                                     |
| <b>Immunogen</b>             | The immunogen recognized by this antibody maps to a region between residue 380 and 430 of human U2 Small Nuclear Ribonucleoprotein Auxiliary Factor (65kD) using the numbering given in entry NP_009210.1 (GeneID 11338). |
| <b>Notes</b>                 | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                         |
| Product Application Details  |                                                                                                                                                                                                                           |
| <b>Applications</b>          | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                                                                                                   |
| <b>Recommended Dilutions</b> | Western Blot, Immunohistochemistry, Immunoprecipitation                                                                                                                                                                   |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                    |
