**NBP2-14523**

FAM210B Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Immunogen affinity purified                                                                                      |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                                                                                |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit FAM210B Antibody - BSA Free (NBP2-14523) is a polyclonal antibody validated for use in IHC and WB. Anti-FAM210B Antibody: Cited in 1 publication. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                                                                         |
| Gene ID             | 116151                                                                                                                                                                                                                                         |
| Gene Symbol         | FAM210B                                                                                                                                                                                                                                        |
| Species             | Human                                                                                                                                                                                                                                          |
| Immunogen           | This antibody was developed against Recombinant Protein corresponding to amino acids:<br>RLDARLLRTARGDCRGHQDPSQATGTTGSSVSCTEEKKQSKSQQLK                                                                                                        |

| Product Application Details |                                                                                 |
|-----------------------------|---------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry-Paraffin, Immunohistochemistry                             |
| Recommended Dilutions       | Immunohistochemistry 1:200 - 1:500, Immunohistochemistry-Paraffin 1:200 - 1:500 |
| Application Notes           | For IHC-Paraffin, HIER pH 6 retrieval is recommended.                           |

## Images

Immunohistochemistry-Paraffin: FAM210B Antibody [NBP2-14523] - Staining of human prostate shows strong cytoplasmic positivity in glandular cells.

Immunohistochemistry-Paraffin: FAM210B Antibody [NBP2-14523] - Staining of human fallopian tube shows strong granular cytoplasmic positivity in glandular cells.

Immunohistochemistry-Paraffin: FAM210B Antibody [NBP2-14523] - Staining of human liver shows strong granular cytoplasmic positivity in hepatocytes.

Immunohistochemistry-Paraffin: FAM210B Antibody [NBP2-14523] - Staining of human kidney shows strong granular cytoplasmic positivity in cells in tubules.
