| Unit Size                   | 0.1 ml                                                                                                                                                                                         |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.                                                                               |
| Storage                     | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                                                                                                   |
| Clonality                   | Polyclonal                                                                                                                                                                                     |
| Preservative                | 0.01% Thimerosal                                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                      |
| Buffer                      | 0.1M Tris (pH 7), 0.1M Glycine, 20% Glycerol                                                                                                                                                   |
| Target Molecular Weight     | 55 kDa                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                                |
| Description                 | Novus Biologicals Rabbit KANSL2 Antibody - BSA Free (NBP2-15633) is a polyclonal antibody validated for use in IHC and WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                        | Rabbit                                                                                                                                                                                         |
| Gene ID                     | 54934                                                                                                                                                                                          |
| Gene Symbol                 | KANSL2                                                                                                                                                                                         |
| Species                     | Human                                                                                                                                                                                          |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Xenopus laevis (84%), Zebrafish (82%).                                                                |
| Immunogen                   | Recombinant protein encompassing a sequence within the center region of human KANSL2. The exact sequence is proprietary.                                                                       |
| Product Application Details |                                                                                                                                                                                                |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunohistochemistry                                                                                                                              |
| Recommended Dilutions       | Western Blot 1:500-1:3000, Immunohistochemistry 1:100-1:1000, Immunohistochemistry-Paraffin 1:100-1:1000                                                                                       |

## Images

Western Blot: KANSL2 Antibody [NBP2-15633] - Sample (30 ug of whole cell lysate) A: Jurkat 10% SDS PAGE gel, diluted at 1:1000.

Immunohistochemistry-Paraffin: KANSL2 Antibody [NBP2-15633] - Immunohistochemical analysis of paraffin-embedded colon ca, using antibody at 1:500 dilution.
