CACYBP Antibody - BSA Free

| Product Information     |                                                                                                                  |
|-------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size               | 0.1 ml                                                                                                           |
| Concentration           | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                     |
| Clonality               | Polyclonal                                                                                                       |
| Preservative            | 0.01% Thimerosal                                                                                                 |
| Isotype                 | IgG                                                                                                              |
| Purity                  | Protein A purified                                                                                               |
| Buffer                  | PBS (pH 7), 40% Glycerol                                                                                         |
| Target Molecular Weight | 26 kDa                                                                                                           |

| Product Description |                                                                                                                                                                                                        |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit CACYBP Antibody - BSA Free (NBP2-15660) is a polyclonal antibody validated for use in IHC, WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                                 |
| Gene ID             | 27101                                                                                                                                                                                                  |
| Gene Symbol         | CACYBP                                                                                                                                                                                                 |
| Species             | Human                                                                                                                                                                                                  |
| Immunogen           | Carrier-protein conjugated synthetic peptide encompassing a sequence within the C-terminus region of human CACYBP. The exact sequence is proprietary.                                                  |

| Product Application Details |                                                                                                                                                              |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunocytochemistry/Immunofluorescence, Immunohistochemistry                                                    |
| Recommended Dilutions       | Western Blot 1:500-1:3000, Immunohistochemistry 10 - 1:500, Immunocytochemistry/ Immunofluorescence 1:100-1:1000, Immunohistochemistry-Paraffin 1:100-1:1000 |

## Images

Western Blot: CACYBP Antibody [NBP2-15660] - Sample (30 ug of whole cell lysate) A: A431 B: H1299 12% SDS PAGE gel, diluted at 1:1000.

Immunocytochemistry/Immunofluorescence: CACYBP Antibody [NBP2-15660] - Immunofluorescence analysis of paraformaldehyde-fixed HeLa, using antibody at 1:200 dilution.

Immunohistochemistry-Paraffin: CACYBP Antibody [NBP2-15660] - Analysis of paraffin-embedded A549 xenograft, using antibody at 1:100 dilution.
