**NBP2-15860****CEP27 Antibody**

| Product Information     |                                                                                                                  |
|-------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size               | 0.1 ml                                                                                                           |
| Concentration           | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage                 | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                     |
| Clonality               | Polyclonal                                                                                                       |
| Preservative            | 0.01% Thimerosal                                                                                                 |
| Isotype                 | IgG                                                                                                              |
| Purity                  | Antigen Affinity-purified                                                                                        |
| Buffer                  | PBS (pH 7), 20% Glycerol, 1% BSA                                                                                 |
| Target Molecular Weight | 27 kDa                                                                                                           |

| Product Description |                                                                                                                                                                            |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit CEP27 Antibody (NBP2-15860) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                     |
| Gene ID             | 55142                                                                                                                                                                      |
| Gene Symbol         | HAUS2                                                                                                                                                                      |
| Species             | Human                                                                                                                                                                      |
| Reactivity Notes    | Immunogen displays the following percentage of sequence identity for non-tested species: Rhesus Macaque (81%), Bovine (87%), Porcine (82%).                                |
| Immunogen           | Recombinant protein encompassing a sequence within the center region of human CEP27. The exact sequence is proprietary.                                                    |

| Product Application Details |                           |
|-----------------------------|---------------------------|
| Applications                | Western Blot              |
| Recommended Dilutions       | Western Blot 1:500-1:3000 |

**Images**

Western Blot: CEP27 Antibody [NBP2-15860] - Sample (30 ug of whole cell lysate) A: IMR32 12% SDS PAGE gel, diluted at 1:2000.
