|                                |                                                                                                                  |
|--------------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>               | 0.1 ml                                                                                                           |
| <b>Concentration</b>           | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                 | Aliquot and store at -20C or -80C. Avoid freeze-thaw cycles.                                                     |
| <b>Clonality</b>               | Polyclonal                                                                                                       |
| <b>Preservative</b>            | 0.01% Thimerosal                                                                                                 |
| <b>Isotype</b>                 | IgG                                                                                                              |
| <b>Purity</b>                  | Antigen Affinity-purified                                                                                        |
| <b>Buffer</b>                  | PBS (pH 7), 20% Glycerol, 1% BSA                                                                                 |
| <b>Target Molecular Weight</b> | 115 kDa                                                                                                          |

**Product Description**

|                    |                                                                                                                                                                           |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Description</b> | Novus Biologicals Rabbit ST18 Antibody (NBP2-20490) is a polyclonal antibody validated for use in WB. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| <b>Host</b>        | Rabbit                                                                                                                                                                    |
| <b>Gene ID</b>     | 9705                                                                                                                                                                      |
| <b>Gene Symbol</b> | ST18                                                                                                                                                                      |
| <b>Species</b>     | Human                                                                                                                                                                     |
| <b>Immunogen</b>   | Recombinant protein encompassing a sequence within the N-terminus region of human ST18. The exact sequence is proprietary.                                                |

**Product Application Details**

|                              |                           |
|------------------------------|---------------------------|
| <b>Applications</b>          | Western Blot              |
| <b>Recommended Dilutions</b> | Western Blot 1:500-1:3000 |

**Images**

Western Blot: ST18 Antibody [NBP2-20490] - Sample (30 ug of whole cell lysate) A: U87-MG 7. 5% SDS PAGE gel, diluted at 1:1000.
