# NBP2-23573DL594

Ficolin-3 Antibody (FCN334) [Dyl ight 594]

| Ficolin-3 Antibody (FCN334) [DyLight 594] |   |
|---|---|
| Product Information                       |   |
| Unit Size                                 | 0.1 ml  |
| Concentration                             | Please see the vial label for concentration. If unlisted please contact technical services.               |
| Storage                                   | Store at 4C in the dark.  |
| Clonality                                 | Monoclonal  |
| Clone                                     | FCN334  |
| Preservative                              | 0.05% Sodium Azide  |
| Isotype                                   | IgG1 Kappa  |
| Conjugate                                 | DyLight 594   |
| Purity                                    | Protein A or G purified   |
| Buffer                                    | 50mM Sodium Borate  |
| Product Description                       |   |
| Host                                      | Mouse   |
| Gene ID                                   | 8547  |
| Gene Symbol                               | FCN3  |
| Species                                   | Human   |
| Reactivity Notes                          | Human   |
| Specificity/Sensitivity                   | Clone FCN334 reacts specifically with H-ficolin. No cross-reaction has been observed with L- or M-ficolin |
| Immunogen                                 | Recombinant human H-ficolin   |
| Notes                                     | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                         |
| Product Application Details               |   |
| Applications                              | ELISA, Immunoprecipitation  |
| Recommended Dilutions                     | ELISA, Immunoprecipitation  |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | ELISA, Immunoprecipitation   |
| Recommended Dilutions              | ELISA, Immunoprecipitation   |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
