#### NBP2-24873R

Delta Np73 Antibody (38C674.2) [DyLight 550]

| Delta Np73 Antibody (38C674.2) [DyLight 550] |  |
|--|--|
| Product Information                          |  |
| Unit Size                                    | 0.1 ml   |
| Concentration                                | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                                      | Store at 4C in the dark.   |
| Clonality                                    | Monoclonal   |
| Clone  | 38C674.2   |
| Preservative                                 | 0.05% Sodium Azide   |
| Isotype                                      | IgG1 Kappa   |
| Conjugate                                    | DyLight 550  |
| Purity                                       | Protein G purified   |
| Buffer                                       | 50mM Sodium Borate   |
| Product Description                          |  |
| Description                                  | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.  |
| Host   | Mouse  |
| Gene ID                                      | 7161   |
| Gene Symbol                                  | TP73   |
| Species                                      | Human, Mouse, Rat  |
| Immunogen                                    | This antibody was developed against a peptide corresponding to a portion of amino acid residues 1-50 of human dNp73. Mouse and human sequences are more than 95 % identical at these amino acid residues. In mouse, alanine at position 8 is replaced by methionine. |
